

CJS Litter Pickup Program

CJS began a litter pickup program in July 2006, with the hiring of a part-time Litter Control Officer. Offenders are assigned a section of County roadway for their community service. Offenders placed in the litter program are given community service credit for each mile they complete. Offenders completed the following for FY07:

***41.04 tons of trash picked up**

(CJS is using an average weight of 17 lbs per bag and **4,828 bags** were picked up)

***1,205 miles of roads cleaned**

***3,136 hours of credit given for community service**

***228 tires picked up**

Culpeper County Criminal Justice Services

Program Overview & Mission Statement

Culpeper County Criminal Justice Services (CJS) provides local probation supervision to jailable misdemeanor offenders and non-violent felon offenders. Our Mission Statement is as follows:

The Culpeper County Criminal Justice Services Program is committed to developing, establishing and maintaining community-based corrections programs that hold offenders accountable by providing sanctions, services and alternatives to incarceration, while providing leadership and coordination throughout the entire criminal justice system.

Cost/Benefit Analysis

Local Probation Supervision is a far less expensive option than jail. It should be noted that not all offenders are appropriate for CJS placement and CJS is certainly not designed or meant to alleviate the need for a jail. **For FY 2007, the cost of supervision per day for CJS was \$2.95 as compared to the approximate cost per day for jail at \$65.**

Offenders referred to CJS are allowed to remain in the community under supervision. Rather than filling jails, they work, attend school, receive treatment; pay taxes, child support, restitution, court costs and fines.
